

REACH Regulation (EC) : 1907/2006

The **Registration, Evaluation, Authorisation & restriction of Chemicals** came into force on the 1st June 2007.

Company Statement

We confirm that we understand our obligations under REACH regarding the published list of substances on the European Chemicals Agency website :

http://echa.europa.eu/chem_data/candidate_list_table_en.asp

The European Union's REACH Directive (EC 1907/2006) is designed to regulate the Registration, Evaluation, Authorization and Restriction of Chemical Substances. REACH legislation was finalized in December 2006 and has been in effect since June 2007.

Sherwood Electronics Ltd, as a manufacturer and importer of products categorised as articles within the REACH regulations we review our products with our suppliers and can confirm that our products comply with the regulations and do not require registration.

No connectors or cable assemblies supplied by Sherwood Electronics release chemicals as defined in article 7 of the regulations, nor have any been of them been found to contain any of the 173 Substances of Very High Concern (SHVC) as defined in article 57, where the concentration is above 0.1%. This statement applies to the ECHA candidate list as published on 12th January 2017
